CME ACCREDITATION

Accreditation and Designation Statements

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Society of Anesthesiologists® and the Uniformed Services Society of Anesthesiologists, with the Association of Veterans' Affairs Anesthesiologists. The American Society of Anesthesiologists is accredited by the ACCME to provide continuing medical education for physicians.

The American Society of Anesthesiologists designates this live activity for a maximum of **8.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Statement of Need

As the only military component society of the American Society of Anesthesiologists (ASA), the USSA represents and serves the unique needs and interests of uniformed anesthesiologists. Its purpose is to serve as a networking and educational platform for all branches of the service. The USSA fosters professionalism, education, and the exchange of ideas through its annual meeting with deployed service members practicing anesthesia in harm's way.

Target Audience

Anesthesiologists, residents, and medical students who are currently serving in the armed forces, and other practitioners interested in trauma, disaster management, regional anesthesia, and echocardiography.

Learning Objectives

At the end of this activity, participants will be able to:

1. Explain the benefits of an ERAS protocol in their patient care.
2. Construct an action plan for implementation of an ERAS protocol in their VHA facility.
3. Apply the correct technique for fiber-optic intubations.

Disclaimer

The information provided at this activity is for continuing education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.

Disclosure Statement

The American Society of Anesthesiologists remains strongly committed to providing the best available evidence-based clinical information to participants of this educational activity and requires an open disclosure of any potential conflict of interest identified by our faculty members. It is not the intent of the American Society of Anesthesiologists to eliminate all situations of potential conflict of interest, but rather to enable those who are working with the American Society of Anesthesiologists to recognize situations that may be subject to question by others. All disclosed conflicts of interest are reviewed by the educational activity course director/chair to ensure that such situations are properly evaluated and, if necessary, resolved. The American Society of Anesthesiologists educational standards pertaining to conflict of interest are intended to maintain the professional autonomy of the clinical experts inherent in promoting a balanced presentation of science. Through our review process, all American Society of Anesthesiologists activities are ensured of independent, objective, scientifically balanced presentations of information. Disclosure of any or no relationships will be made available for all educational activities.

The following speakers and/or planning committee members have indicated that they have relevant financial relationships with commercial interests to disclose:

Name	Type of Relationship	Company
John Holcomb, MD	Equity Position	Decisio Health
	Consulting Fees	Arsenal Medical
	Consulting Fees	Cellphire
	Stock Options	QinFlow
	Stock Options	Zibrio

All other planners, faculty and staff have reported no relevant financial relationships with commercial interests to disclose.

Instructions on How to Claim Credit

Please follow these directions to access the course, claim your credits, complete the program evaluation(s) and print your certificate:

Log in to the ASA Education Center at: <http://education.asahq.org/>

If you have accessed the ASA Education Center for a previous meeting, please use your existing ASA username and password. If you have not previously accessed the ASA Education Center, you will soon receive an email from the ASA Education Center with log-in instructions.

Once you have logged on to the ASA Education Center homepage, click on the tab that says "MY COURSES," for the link to the 2018 USSA/AVAA Annual Academic Meeting. Select the link to complete the course evaluation and claim credit.

To retrieve a username or password, enter your email address at:
<https://www.asahq.org/member-center/forgot-password>.

Note: Physicians should claim only credit commensurate with the extent of their participation. All credits for the meeting must be claimed by Dec. 31, 2019. You will NOT be able to claim credits after this date.
